- (ii) Major Amendment (see definition): \$83,513.00 + (HST)

Official Plan Amendment:

Minor: An application for minor, site specific and small scale amendment or exception to Official Plan policies and designations, having limited impact or policy implications beyond the subject lands.

Major: An application to amend the Official Plan that is more significant in scale and scope than a minor Official Plan Amendment, and which may have greater impact or policy implications beyond the subject lands. Applications relating to more than one property would normally be in this category. A site specific application could also fall in this category, if considered to represent large scale redevelopment or significant change in use. An application involving significant changes to the text or policies of the Official Plan would also fall in this category.
