

# Memorandum to the City of Markham Committee of Adjustment

January 28, 2021

**File:** A/130/20  
**Address:** 50 George Street, Markham  
**Applicant:** Jian Li  
**Agent:** Gregory Design Group (Shane Gregory)  
**Hearing Date:** Wednesday February 03, 2021

The following comments are provided on behalf of the Heritage Team:

The applicant is requesting relief from the following requirements of the Residential Three (R3) Zone of By-law 1229, as amended, as it relates to a proposed two-storey addition with attached garage to an existing one-storey single detached dwelling, to permit.

**a) By-law 1229, Section 1.2 (iii):**

A building depth of 18.50 m, whereas the By-law allows a maximum building depth of 16.76 m;

**b) By-law 1229, Section 1.2 (vi):**

a net floor area ratio of 45.3 percent, whereas the By-law allows a maximum net floor area ratio of 45 percent.

## COMMENTS

Upon review of the variance application, staff have identified that the submitted plans do not accurately measure the proposed building depth of the building. According to the submitted plans and requested variance, the proposed building depth is 18.50 m. This figure does not accurately reflect the proposed building length of 22.71 m identified on the ground floor plan. Planning staff have communicated this with the applicant, and recommend this application be deferred sine die in order to provide the applicant time to submit revised plans that accurately reflect the building depth being requested, and address staff concerns.

Regulation 1026, Section 29(3).

PARKWAY AVENUE  
(DEDICATED BY REGISTERED PLAN 2485)  
P.I.N. 02926 - 0078

### SITE INFORMATION

AREA OF LOT = 908.8 M<sup>2</sup>  
 AREA OF BUILDING = 282.0 M<sup>2</sup>  
 COVERAGE = 31.0 %

### NET FLOOR AREA CALCULATION

$$613.14 + 0.5(908.8 - 613.14) \times 0.49$$

$$761 \times 0.49 = 342.59$$

ALLOWABLE NFA RATIO = 342.59 M<sup>2</sup> (49.0%)  
 PROPOSED NFA RATIO = 344.7 M<sup>2</sup> (49.7%)
