## COMMENTS

9900 Markham Road and 1210 Castlemore Avenue are located on the west side of Markham Road, between Major Mackenzie Drive and Castlemore Avenue. There is currently existing commercial development (primarily consisting of retail and small-scale restaurants) at 1210 Castlemore Avenue. Townhouse development has been approved for a portion of 9900 Markham Road, and mixed use high density development is proposed for the remaining portion.

The purpose of these consent applications (B/07/19 & B/08/19) is to grant reciprocal easements for access, egress and landscaping which will facilitate access to Markham Road and Major Mackenzie Drive from both properties and shared landscaping features which straddle both properties. Staff have no objections to the proposed easements.

Please see Appendix "A" for conditions to be attached to any approval of this application.
