

QUALIFICATION INFORMATION

as authorized by the Building Code Act S.O. 1992 c.23, as amended, s. 18(1)

The owner of the construction project identified below, must submit this form or the information contained in the form, prior to the fabrication and installation of any of the components listed below so that the necessary qualifications can be confirmed. The Ontario Building Code, Sentence 4.3.4.1.(1), requires that all fabricators and erectors of welded structural steel and pre-cast concrete be certified by the Canadian Welding Bureau. Sentence 4.3.3.1.(1) requires all pre-cast concrete elements be produced in a plant certified in the appropriate categories by a Certification Organization. This form identifies the companies erecting and fabricating structural steel and manufacturing and erecting pre-cast concrete for the project identified below

Building Permit # _____ Date: _____

Municipal address of the construction project

(Complete the information and Indicate by '✓' for the applicable structural components)

Pre-cast Concrete Wall Panels Not known Not Applicable Supplied & Erected By: _____

Fabricator _____ Erector _____
(Company) (Company)

Welded Structural Steel Not known Not Applicable Supplied & Erected By: _____

Fabricator _____ Erector _____
(Company) (Company)

Open Web Steel Joist Not known Not Applicable Supplied & Erected By: _____

Fabricator _____ Erector _____
(Company) (Company)

Metal Floor and Roof Decking Not known Not Applicable Erected By: _____

Erector _____
(Company)

Pre-cast Concrete Floor Slabs Not known Not Applicable Supplied & Erected By: _____

Fabricator _____ Erector _____
(Company) (Company)

The undersigned hereby confirms the above information and the installation of the applicable building components fall under the scope of my general review services provided for this project.
