WEST THORNHILL FLOOD CONTROL IMPLEMENTATION (PHASE 3C)

NOTICE OF PROCTOR – HENDERSON INTERSECTION CLOSURE

Dear Resident,

The West Thornhill Flood Control Implementation (Phase 3C) project is underway. This involves the replacement of existing Storm Sewers and watermains along Glen Cameron Road, from east of Henderson Avenue to Yonge Street.

In order to facilitate these construction works; the intersection of Glen Cameron Road and Henderson Avenue will be closed from July 4/2022 to July 15/2022.

The City of Markham and the Contractor (GFL Infrastructure Group Inc.) are working hard to minimize disruption while also completing these vital infrastructure upgrades in a timely manner.

Please contact site staff in case you have any special needs or concern:

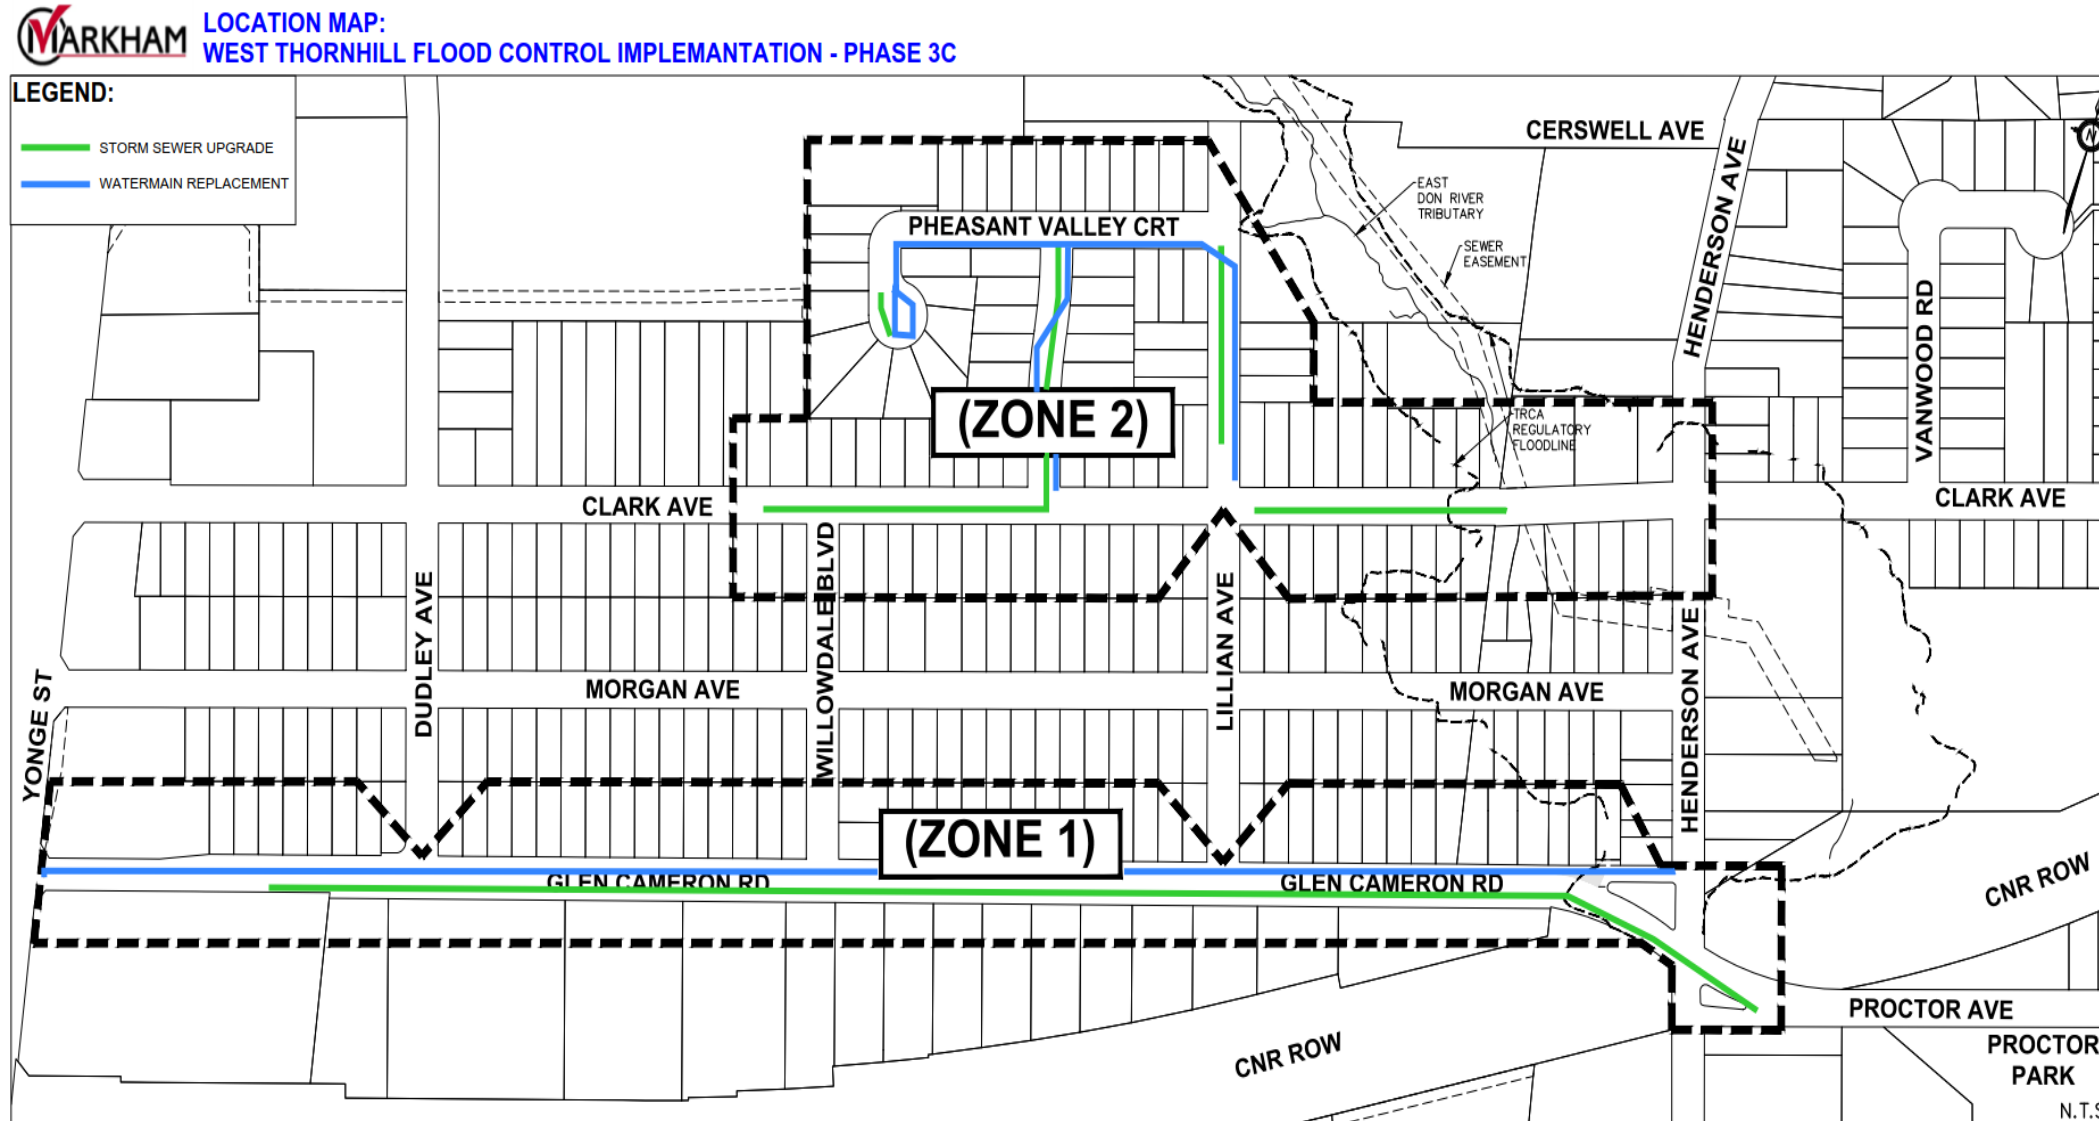

- Mike Morson, Site Superintendent, GFL Infrastructure Inc. (GFL), Cell: 437-248-8902
- Gulam Hossain, Site Inspector, R.V. Anderson Associates (RVA), Cell : 416-399-8178

Thank you in advance for your co-operation and patience.

Sincerely,

Jawaid Khan, M.Eng, P.Eng.
Sr. Infrastructure Project Engineer
Environmental Services Department
