

FIRE AND LIFE SAFETY

BOOKS LIST

Teaching children about fire and life safety is important!

Markham Fire and Emergency Services has created a list of children's books that talk about firefighting, and/or about fire and life safety. This list is intended to be used as a resource for parents to increase familiarity in children about the fire service, and to teach children about how to be fire safe.

Please note these books may be available at Markham Public Libraries or purchased online or at a bookstore.
